# All Day Menu

## HOME DELIVERY

Our unique Home Delivery experience is served in a Rantang, a customary lunch box from Southeast Asia that is also commonly known as a tiffin. This concept is often used by people working away from home as it allows them to enjoy a proper meal during the course of the day. It is actually similar to a western picnic basket where different food items are stored in separate containers. Please take pleasure in this traditional Indonesian way of having food delivered to your room.
