

  
Sava

We offer a complete menu of pampering treatments designed for deep relaxation, which unite modern holistic natural healing with traditional local wisdom. Our exquisite body care collection, local herbs, Balinese rice and fresh sea salt provide the therapeutic benefits that makes a trip to Sava Spa, a transformational experience.

Sitting under a Zen pool inspired by the Balinese age-old subak irrigation system, Sava Spa presents six couples massage rooms--each one with a shower facility and one with a bath--as well as four treatment rooms for singles, and a dedicated reflexology room. Our manicure and pedicure parlor has four pedicure stations and two manicure tables that feature designs resembling a vintage apothecary. We only use natural nail treatment products with top-of-the-line O.P.I nail lacquers. Our Sava spa also has two lounge areas, one for pre-treatment and one for post-treatment.

Well-trained in many different methods, from traditional Balinese massage to Thai massage, acupuncture, and many more, our spa team's holistic approach also includes meditation and chakra application to their treatments as well as developing their own massage oils and scrubs that blend all-natural and locally-sourced ingredients. All of our spa services are performed by our magnificent award-winning spa team that has been awarded as Best Junior Spa Therapist and Best Spa Receptionist in Indonesia, undoubtedly making it the best spa in Seminyak.
